

Annual Gathering Service Project 2017

Goal: 1,000 Hygiene Kits

We know that we are stronger when we work together.

Will you help us reach our goal by telling our stories through our work and commitment?

Therefore, we are asking each association to collect one specific item for this project.

We'll assemble these kits at Annual Gathering. We have found that often the best prices for items can be found online, but however you want to collect your items, we approve! Specific donation requirements and quantities are listed below.

Evansville Tri-State Association

1,000 Wide-Tooth Combs

Kentuckiana Association

1,000 Nail Clippers

Lincolmland Association

1,000 Bar Soap (bath-size individually wrapped)

Northeast Association

1,000 Toothbrushes (Individually Packaged)

Northwest Association

1,000 Washcloths

Southeast Association

1,000 Hand Towels (Approx. 16x28")

Wabash Valley & Western Associations

6,000 Band-Aids

Relying on faith and your generosity, we are **also** asking that each association provide:

150 Gallon-Size Ziploc Bags

The Church World Service truck will be at Annual Gathering. If you have additional, completed kits of any kind, feel free to bring them to the truck. Please **do not**, however, make completed kits for our collection. We are confident that working together and putting together the kits at Annual Gathering is an important part of our being together.

Please email your **total collection numbers** (money and items) to Charlie Overton by May 20th so that final preparations can be made. Items can be brought directly to the Annual Gathering. Questions should be directed to Charlie Overton at charlieoverton@att.net
