

## We're Growing Again!

### Announcing the Launch of MissionInsite's NEW WEBSITE!

Known for over a decade as a partner for the faith-based and religious world, MissionInsite is excited to announce its new community engagement solutions can now empower the nonprofit community.

- With **FaithConnect**, churches and faith based ministries can continue to utilize our tools for mission and outreach expansion.
- With **NPConnect**, nonprofits can experience the power of MissionInsite for donor development, prospect identification and intelligence, program utilization and more.

As a MissionInsite user, please be aware that the client login and new user registration will work exactly as before. Navigate to the new MissionInsite Home page at [www.missioninsite.com](http://www.missioninsite.com) and look for the **Client Center** tab on the upper right hand corner of the new home page. Click on the **Client Center** tab and a new window will open with a **login** or **registration** option. Selecting "login" will take you to your study just as before. Selecting "registration" will open the "Registration Information" window where new users may follow the instructions to create a new user account.

We will be sending each Agency Administrative User an updated "How to Register" document in the near future. If you have questions contact us at: [MIsupport@missioninsite.com](mailto:MIsupport@missioninsite.com)

Or dial **877-230-3212 Ext. 1011**.

We hope you enjoy the new public face of MissionInsite!

**The MissionInsite Team**
