

2023 General Synod

Local Arrangements Committee

Ms. Becky Moore

Co-Chair, Local Arrangements Committee

Becky has been an active member of the Indianapolis hospitality industry for the past 29 years – starting out as a banquet server while in college. Her most recent position has been with the Westin Indianapolis as Event Planning Manager for the past 16 years. This position allows her to work directly with conventions and large meetings that come to Indianapolis – including the room block and F&B management of these high profile events. She is also the IKC Annual Gathering Coordinator for 2022.

Becky has been designated as a CMP (Certified Meeting Professional) since 2011. The CMP credential is recognized globally as the badge of excellence in the events industry. The qualifications for certification are based on professional experience, education and a rigorous exam.

Becky earned her Bachelor of Arts degree in Advertising from the University of Evansville (IN).

As a lifelong member of St. John's United Church of Christ (Southport), she is proud of the fact that she was not only a preschool member of St. John's, but also baptized, confirmed and married in this same church! She currently serves on the Church Council and Board of Christian Education for St. John's UCC. Needless to say, St. John's UCC holds a very special place in her heart.

When not planning meetings, Becky enjoys writing letters to her pen pals from all over the world, photography, reading World War II fiction and spending time with her family – husband, Derrick, sons Alex and Jon, and daughter Maddie.
