

Indiana-Kentucky Conference of the United Church of Christ

COVID-19 PROTOCOLS FOR THE 59TH ANNUAL MEETING

JUNE 2-3, 2022

While we are abundantly thankful that we are able to gather in person this year after being online only for the past two years, we also recognize that Covid-19 is not something that is completely behind us. With that in mind, we offer this guidance:

- If you are not feeling well, please remain at home. Contact the conference office for the links needed to participate online.
- If you begin to feel unwell while at the Gathering, please limit your contact with other attendees and take necessary steps to care for yourself. Assistance will be available, if needed.
- If you are unvaccinated, please wear a mask when inside at the Gathering.
- If you are vaccinated, but choose to wear a mask, we affirm that choice.
- We also encourage everyone to keep a mask with them, and out of our mutual love and respect for one another, put your mask on if talking with someone who is wearing a mask. This is a simple act that we can do to show our care for each other.
- A limited supply of masks will be available at the registration table for those who need one.

Thank you for your cooperation as we seek to have a safe, healthy, and joyous Annual Gathering.
