The United Church of Christ recognizes *The Marks of Faithful and Effective Authorized Ministers* in the formation of ministers, in the practice of active ministry, and throughout life. If a parsonage is provided, will the church offer a home equity allowance to the pastor? (The recommended guidelines for a home equity allowance is equal to 1.5% of the average home value in the community; this is considered taxable to the minister. The Housing Equity Offset should not be calculated into the Salary Basis upon which other Benefits are determined. Churches should consult a tax advisor prior to establishing any account for an equity allowance to ensure compliance with IRS rules on nonqualified deferred compensation plans.)
